

RBC-170A (19) Themed-Reston Bike Club Public Art Ride - North and South Reston

This ride, which starts at the Wiehle Metro Station, uses paths, roads, and underpasses to take you on a tour of most of Reston's public art. There are a couple of short, steep climbs, and a few technical turns. Thank you to Public Art Reston for the links to descriptions of the artwork. You can learn more about each piece here: <https://publicartreston.org/engage/explore/gallery/> If you're doing this ride, please practice good trail etiquette. And if school is in session, we invite you to try our Reston Bike Club Public Art Ride -North instead of the entire ride. Note: this will probably take longer than you think - plan accordingly!
