December 8, **Refurbished Bike Sale** (DC) @ 10am-2pm

TUESDAY, December 11 - **Make a Bike Wreath** @ The Bike Lane. Use an old wheel (provided or bring your own), and we'll supply lights and stuff to go on them. \$10 also includes Nordic Knot pretzel and a beer! Register through The Bike Lane.

SATURDAY, December 15 - **Help Herndon Middle School bike shop** students fit helmets on kids who are receiving reconditioned (by HMS Bike Shop) bikes for the holidays. This is a project to which Reston Bike Club donates money and time each year to benefit the students in the shop and the community around it. Contact Kelley Westenhoff, westenhoff@gmail.com to volunteer.

SUNDAY, December 16 - **Hains Point 100**, Washington Area Bicyclist Association's Women & Bicycles Fundraiser. [Details & Registration](#)

SATURDAY, December 22 - **Tour de Lights** - we've expanded the openings to 30, but could really use some experienced RBC'ers to come along and help the Ride Leader shepherd the group. About half of the registrants are potential future RBC members - let's make them feel welcome! Look for Tour de Lights at www.restonbikeclub.org
