Furloughed? Got Some Impromptu Day Time?

If due to the partial government shut down you are available to ride during the day, your club wants to help make that happen! We are happy to publicize a ride that you want to lead (The advantage of leading is you get to set the pace, distance, time and date). This isn't just for federal workers, but anyone who unexpectedly finds themselves with some daytime riding hours for a change! If you want to lead something like this, contact [Kelley Westenhoff](#).
