## Herndon Middle School Bike Shop

**RBC in the community.** See those lovely bike stands? RBC's donation to Herndon Middle School bike shop has made the shop more productive, organized and safer this year as the students are able to use real shop stands that RBC helped purchase. The 7th and 8th graders work on rehabilitating donated bikes, returning them to the local community as donations for those who can't afford them or sale to help fund the program. Club board member Kelley Westenhoff administers the program. Volunteers include club members Bob Evans and Andrew Jens. Brendan Eyerman from A-1 Cycling is the mechanic on the spot.

The bike shop is soliciting donations of child/youth bikes for the holiday donation program. Please contact [Kelley Westenhoff](mailto:Kelley.Westenhoff) for more details.
